This map shows only the base zoning  
for each parcel of property.

This map does not show special development  
conditions, such as P-suffix Conditions, Special  
District Overlays, or potential zoning that apply  
to many properties in King County.

This map is a general color representation of  
official zoning controls. Final decisions on  
any inconsistencies are based on the ordinance  
establishing the current zoning.

All property-specific development conditions are  
displayed on the official zoning control at the  
Department of Development and Environmental Services  
(DDES), 900 Oakesdale Ave SW, Renton, WA 98055,  
Telephone (206) 296-6600.

The atlas is produced by King County's Geographic  
Information System. Copies of this atlas are  
available for review or purchase at DDES. The atlas
